## Birlasoft and Regulativ.ai Co-Develop AI-Led Cybersecurity Assessment Platform for Global Banking, Financial Services, and Insurance Customers

*The co-development of an AI/ML-based industry-revolutionizing platform will help customers streamline and automate their cybersecurity regulatory assessment and reporting, leverage the power of new-age digital technologies, deliver significant cost savings, and near real-time view of compliance to cyber regulations, as well as rich analytics.*

**Pune, Noida (India) and Edison, NJ (USA), June 8, 2021:** Birlasoft Ltd [BSE: 532400, NSE: BSOFT], part of the USD 2.4 billion diversified, [The CK Birla Group](#) and a global enterprise digital and IT services company, has partnered with [Regulativ.ai](#), to co-develop a new AI/ML-based cyber-regulatory reporting platform.

**Digital transformation has unleashed a high volume of cyber threats**, making cybersecurity and compliance a top priority for CXOs, and making it critical for businesses to ensure their cyber-regulatory compliance roadmap is in place. In alignment with Birlasoft's strategy to ensure customers realize utmost value from their digital transformation initiatives, the co-developed platform will help regulated enterprises gain a deeper understanding of their cyber regulatory compliance risks and provide them with actionable reports to mitigate risks and ensure compliance.

Birlasoft believes that the *Regulativ.ai* platform fits well with the company's focus to grow the banking, financial services, and insurance segments, where cybersecurity is a key focus. In addition, as organizations across other regulated industries accelerate their digital transformation, cybersecurity becomes fundamental for future business resiliency.

**Shilpa Bhandari, SVP and Global Head - BFSI, Birlasoft** said, *"Enterprises are moving towards a digital-first approach at an accelerated pace and are increasingly concerned about their cybersecurity resiliency. Birlasoft and Regulativ.ai's co-development partnership is strategic in our goal of delivering innovative platform-based solutions that address the needs of customers across banking, financial services, and insurance industries where cybersecurity and compliance are top priorities."*

**Jinal Shah, CEO, Regulativ.ai** said, *"We are excited to be working together on a joint platform in partnership with Birlasoft. Regulativ.ai is transforming the cybersecurity reporting function across regulated industries. We have created a lightning-fast, scalable, and cost-efficient governance platform using leading-edge AI technologies. Our innovative multi-cloud platform will significantly streamline cybersecurity self-assessment processes."*
